**PETITION TO REVIVE  
UNINTENTIONALLY ABANDONED APPLICATION**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants, through their undersigned attorney, hereby petition under the provisions of 37 C.F.R. § 1.137(b) to revive the above-identified application. The application became unintentionally abandoned for failure to fully respond to the notification to comply with requirements for patent applications containing nucleotide sequence and/or amino sequence disclosure dated 24 July 2001, as set forth in a decision on petition dated 5 June 2002.

A response to the 24 July 2001 notice and a decision on petition dated 5 June 2002, is submitted herewith.

The undersigned hereby states that the entire delay in filing the national phase from the deadline for doing so until the filing of this petition pursuant to this paragraph was unintentional.

No terminal disclaimer is believed to be required.

Entry and granting of the foregoing petition is believed to be in order, and is solicited.

Our check in the amount of \$1,280 to cover the petition fee is submitted herewith.

Any additional required fee may be charged to our deposit account no. 13-2855. Any overpayment should be refunded to the undersigned's law firm at the indicated address.

If the petition examiner would like to discuss the foregoing, or any matter of form or procedure, he or she is urged to telephone the undersigned at the indicated number.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN
